### 5. Disclaimer

The author assumes no warranty for the truth, accuracy, reliability, or completeness of the information, or that it is up to date. Claims for liability against the author on grounds of tangible or intangible losses resulting from access to, use of, or failure to use the published information due to misuse of the connection or technical errors, are excluded. All offers are without obligation. The author expressly reserves the right to modify, supplement, or delete parts of the website or the entire offer, or to discontinue its publication temporarily or permanently without notice.

## 6. Liability for links

References and links to third-party websites are beyond the scope of our responsibility. We refuse any and all responsibility for such websites. Users access and use such websites at their own risk.

## 7. Copyrights

The copyrights and all other rights to content, images, photographs, or other files on the website are owned exclusively by itnetX AG or specifically named rights holders. The written consent of the copyright owners must be obtained prior to the reproduction of any elements.

## 8. Data protection

On the basis of Article 13 of the Swiss Federal Constitution and the Swiss data protection provisions (Datenschutzgesetz, in English: Data Protection Act), every person is entitled to protection of their privacy and protection against improper use of their data. We comply with these regulations. Personal data is treated as strictly confidential and neither sold nor disclosed to third parties. Working closely with our hosting providers, we endeavor to protect the databases against unauthorized access, loss, improper use, and forgery as far as possible. When accessing our websites, the following data is stored in log files: IP address, date, time, browser request, and generally transmitted information about the operating system and browser. This user data forms the basis for anonymous statistical analyses, making trends visible to help us improve our offers accordingly.

## 9. Privacy policy

For the use of Facebook plugins ('Like button') our website integrates plugins of the social media network Facebook, 1601 South California Avenue, Palo Alto, CA 94304, USA. You can recognize the Facebook plugins via the Facebook logo or the 'Like button' on our website. You can find an overview of Facebook plugins here: <http://developers.facebook.com/docs/plugins/>. When you visit our website, the plugin will establish a direct connection between your browser and the Facebook server. In this way, Facebook receives information that you visited our website, including your IP address. If you click on the Facebook 'Like button' while you are signed into your Facebook account, you can link the content of our pages with your Facebook profile. This enables Facebook to attribute the visit to our website to your user account. We point out that, as the operators of the website, we are not informed about which data is transmitted or how it is used by Facebook. For more information, please see Facebook's privacy policy at <https://www.facebook.com/about/privacy/>. If you do not want Facebook to attribute the visit to our website to your Facebook account, please sign out of your Facebook account first.

## 10. Privacy Policy for the use of Twitter

Our website integrates functions of the Twitter service. These functions are provided by Twitter Inc., 795 Folsom St., Suite 600, San Francisco, CA 94107, USA. By using Twitter and the 'Re-tweet' function, the websites you visit are linked to your account and shared with other users. Data such as your IP address, browser, domains accessed, pages visited, mobile carrier, device and application IDs, and

search terms, is transmitted to Twitter. We point out that, as the operators of the website, we are not informed about which data is transmitted or how it is used by Twitter. Because Twitter continually updates its privacy policy, we recommend that you read the latest version at <http://twitter.com/privacy>. You can change your privacy settings for Twitter in your account settings at <http://twitter.com/account/settings>. If you have any questions, please contact [privacy@twitter.com](mailto:privacy@twitter.com).

## 11. Privacy policy for using Google Analytics

This website uses Google Analytics, a web analysis service provided by Google Inc. (Google). Google Analytics uses "cookies", which are text files that are stored on your computer and which enable an analysis of your use of the website. The information generated by the cookie about your use of this website is generally transmitted to a server belonging to Google in the USA and stored there. However, if IP anonymization is activated on this website, Google will truncate your IP address beforehand within member states of the European Union and in other states that are signatories to the Agreement on the European Economic Area. The full IP address will only be transmitted to a server belonging to Google in the USA and truncated there in exceptional cases. Google will use this information on behalf of the operator of this website to analyze your use of the website, to compile reports on the website activities, and to provide additional services to the website operator which are associated with use of the website and internet. Google may also transmit this information to third parties, provided this is required by law or the third parties process the data on behalf of Google. The IP address transmitted by your browser in the context of Google Analytics will not be combined with other data held by Google. You may refuse the use of cookies by selecting the appropriate settings in your browser; however please note that if you do so you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.
