

The Swiss Football Association (SFV) is the umbrella organization for national football. It was founded in 1895 and in 1904 was one of the seven national associations that created the world football association FIFA. Today, the SFV is one of the most important sports associations in the country. The SFV is divided into three divisions and has 1,389 clubs, 14,206 teams and 273,644 licensed players.

Microsoft
Azure
